Dear Bryan,

Clayhills Escobar Solicitors – Office refit

I am writing on behalf of myself and Nic Clayhills to thank you and your team for the work done recently at our Newtown offices.

Both Nic and I are extremely pleased with the new configuration of our office space. Your professional and diligent approach to all aspects of the project ensured a cost effective, timely job was done with minimal disruption to day to day operation of the firm.

We would, without hesitation, recommend SB Projects to anyone looking to undertake a similar project.

Yours faithfully,
Clayhills Escobar Solicitors
